

# FRONT OF YONGE ENVIRONMENTAL ADVISORY COMMITTEE

## COMMUNITY QUESTIONNAIRE

The FOY Environmental Advisory Committee (EAC) has recently been convened to promote the protection, maintenance and enhancement of ALL aspects of the environment in the Township of FOY. The committee serves to safeguard and improve the quality of life for those living, working and visiting in FOY, both currently and in the future.

Township councillors created the EAC in response to feedback from FOY residents. As such the EAC is seeking your input; both ideas and additional members are welcome. Collectively, FOY residents can bring extensive expertise and energy to this committee. Making a positive contribution to the environment starts with us, in our homes and communities. **We invite you to answer the questions below and submit your responses to the township office by JULY 29.**

1. Are you aware of FOY's environmental policies and by-laws and do you know where to access them for reference?

---

---

2. Are the waste management systems in place in FOY (i.e.: recycling, solid waste landfill, hazardous waste, water quality) adequate? If no, can you suggest improvements?

---

---

---

3. Do you use pesticides or burn garbage on your property? If yes, what assistance or information do you need to help you adopt practices that are less harmful to the environment?

---

---

4. What is the most important issue you would like to see the EAC address?

---

5. Do you have any suggestions as to how this issue can be addressed?

---

6. Are there other issues you would like to see addressed?

---

7. Do you have a particular area of environmental expertise or interest that you would like to bring to the committee and community or are you interested in being a committee member? If so, please provide your name and contact information.

---

---

8. Other comments? \_\_\_\_\_
